

START WITH STRETCHING.

Every aspect of our fitness equipment is made to mirror human movement — fluid, natural, and familiar. Intuitive engineering and thoughtful design offer an invigorating workout that helps users keep moving. Arising from our heritage of providing quality fitness solutions that work, Precor fitness equipment keeps your users satisfied no matter what their goal. Precor inspires a life in motion.

Easy to use. The stretch trainer is designed for ease-of-use with easy to follow instructional graphics that help users get on and get stretching.

Engineered for efficiency. Lightweight with a small footprint, so you can place it anywhere in your facility. High-quality components and superior construction mean years of trouble-free use.

Committed to excellence. For 25 years Precor has been a leader in the fitness industry, delivering breakthrough innovations and premium quality products for leading clubs and better fitness facilities.
