### A step above the rest.

- 1 Easy-to-read, intuitive console** – Access QuickStart, Programs, and User IDs with one touch of a button. Touch-sensitive keypad is user-friendly with "quick key" functions. The M9.35i offers a unique workout log and a personal best tracker to keep you motivated during your workout.
- 2 Multi-program workout** – Integrated mix of speed, incline, and program options provides an effective cardio workout. Stay motivated with varied routines, from weight-loss, interval-training, to heart rate programs that were developed specifically for Precor.
- 3 Durable design for home use** – Precor quality has been time-tested in health facilities worldwide, providing solid construction that translates into long-lasting performance, quiet operation, and trouble-free maintenance in your home.
- 4 Ground Effects® Impact Control System** – Unique suspension system cushions impact and stabilizes lateral movement, reducing impact on joints, increasing comfort, and minimizing fatigue.
- 5 Integrated Footplant Technology™** – Innovative design adjusts belt speed to foot speed, fully complementing and supporting your natural running stride.
- 6 SmartRate®** – Instant display of your actual heart rate keeps you in your target zone for improved cardio-training and weight-loss results.
- 7 Safety features** – The safety clip immediately turns off power, if needed, for added assurance. Password protection ensures that the machine is able to be locked and unlocked at your discretion.
- 8 Touch Heart Rate Monitor** – Easy-to-use handgrip sensors monitor heart rate during workouts.
- 9 Natural motion** – All Precor products are engineered to move the way you move. With over 250 patents, Precor is the industry leader in equipment fitness design and innovation for commercial and home products.
